## Don't Just Scratch the Surface.

Aurand manufactures a pneumatic powered tool for your specific purpose. The "M" series model MP6-E tool is a 300mm wide tool suitable for heavy duty or floor work.

Aurand pneumatic tools offer an improved method of removing paint, rust and adhesives from concrete, asphalt and steel with its long lasting replaceable cutters.

This pneumatic tool features a rotary type air motor, free from toggles, pistons or reciprocating parts to eliminate vibration. Tool requires only 42cfm and operates at a pressure of 70 – 100psi.

A 1.2 metre detachable aluminium handle allows one person to operate the tool with speed and ease over large flat areas
