# 5 HEADED SCABBLER

- Vibration Reduced
- Lifting Eye on frame
- Heavy Duty Wheels
- Controls on handle
- Adjustable blowpipe to remove waste

**The Macdonald U5-VR Heavy Duty Floor Scabbler** is a leap forward in Scabbling Technology.

The scabbler block floats between guides and is therefore independent of the handle and frame.

This means that no vibration is transmitted to the operator and in fact it is possible for the machine to be moved around using only one hand when cutting.

The powerful new cylinder units provide 20% more work output for 20% less air consumed. Additionally it is also more compact than its predecessor.

Bit replacement costs are minimised by the new swop-lok bits.

### Specifications:

Heads	Weight	Length	Width	Height	Working Width	Air Cons. @ 90 psi	Hose Fitting
5	135kgs (298 lbs)	1308mm (52")	438mm (18")	890mm (36")	312mm (12 1/4")	46 litres / sec (95 cfm)	3/4" NPT
